## Seenager

I've just discovered my age group. I am a Seenager (senior teenager)

I have everything that I wanted as a teenager, only 55-60 years later. I don't have to go to school or work. I get an allowance every month. I have my own pad. I don't have a curfew. I have a driver's licence and my own car.

I have ID that gets me into bars and the wine store. I like the wine store best. The people I hang around with are not scared of getting pregnant, they aren't scared of anything, they have been blessed to live this long, why be scared? And I don't have acne. Life is good!

Also, you will feel much more intelligent after reading this, if you are a Seenager. Brains of older people are slow because they know so much. People do not decline mentally with age, it just takes them longer to recall facts because they have more information in their brains. Scientists believe this also makes you hard of hearing as it puts pressure on your inner ear.

Also older people often go to another room to get something and when they get there they stand there wondering what they came for. It is NOT a memory problem; it is nature's way of getting older people to do more exercise. SO THERE!

I have more friends I should send this to, but right now I can't remember their names. So please forward this to your friends, they might be my friends too.

## Covid Scam Alert

There is an email circulating saying that you have been in contact with someone who has tested positive to the virus. A self-test kit will be sent to you at a cost of £50 when you reply and provide your card details.

Obviously they would then thank you by emptying your bank account!

These scumbags should be hung, drawn and quartered!

With my ailing memory, I'm thinking of changing my password to 'incorrect'. That way, when I log in with the wrong password, the computer will tell me....

"Your password is incorrect"

## Extract From Kentara Chairlady's Comments

I hope you are all coping with this horrible virus, and keeping safe, while managing our shared isolation.

I have had Coronavirus. I started feeling symptoms, a little while after visiting the bank and supermarket. I felt very poorly, but I have fully recovered now. I feel like I am one of the lucky ones!.

I would like to thank all our Clubs and members, who knew, for all their support.

Many kind acts will go unpublicised, and some will go unnoticed by many, but please don't stop being wonderful to each other. I am very proud of KentAra, and all of our members at every level within our organisation

### That's Life

An older gentleman was on the operating table awaiting surgery and he insisted that his son, a renowned surgeon, perform the operation. As he was about to get the anesthesia, he asked to speak to his son.

"Yes, Dad, what is it?"

"Don't be nervous, son; do your best, and just remember, if it doesn't go well, if something happens to me, your mother is going to come and live with you and your wife...."

~~~~~  
The older we get, the fewer things seem worth waiting in line for.

When you are dissatisfied and would like to go back to youth, think of Algebra.

~~~~~  
Two guys, one old, one young, are pushing their carts around Tesco when they collide.

The old guy says to the young guy, "Sorry about that. I'm looking for my wife, and I guess I wasn't paying attention to where I was going."

The young guy says, "That's OK, it's a coincidence. I'm looking for my wife, too...I can't find her and I'm getting a little desperate."

The old guy says, "Well, maybe I can help you find her... what does she look like?"

The young guy says, "Well, she is 27 yrs. old, tall, with red hair, blue eyes, is buxom...wearing no bra, long legs, and is wearing short shorts.

What does your wife look like?"

To which the old guy says, "Doesn't matter, --- let's look for yours."

### The Will

Doug Smith is dying and knows the end is near. His nurse, wife, daughter and two sons are with him.

He asks for 2 witnesses to be present and a camcorder be in place to record his last wishes, and when all this is in place, he begins to speak;

"My son Bernie I want you to take the Mayfair houses"

"My daughter Sybil you take the apartments over in the East End"

"My son Jamie, I want you to take the 4 offices over in the City Centre"

"Sarah, my dear wife please take all the residential buildings on the banks of the river."

The nurse and witnesses are blown away as they did not realise his extensive holdings, and as Doug slips away the nurse says "Mrs Smith, your husband must have been such a hard-working man to accumulated all this property"

Sarah replies "Property?..... The slime ball had a paper round."

### Irish Ghost Story

This happened a while ago in Dublin, and even though it sounds like an Alfred Hitchcock thriller it's true.

John Bradford, a Dublin University student, was on the side of the road hitch-hiking on a very dark night and in the midst of a big storm. The night was rolling on and no car went by. The storm was so strong he could hardly see a few feet ahead of him. Suddenly he saw a car slowly coming towards him and stopped. John, desperate for shelter and without thinking about it, got into the car and closed the door...only to realise there was nobody behind the wheel and the engine wasn't running. The car started moving slowly. John looked at the road ahead and saw a curve approaching. Scared, he started to pray, begging for his life. Then, just before the car hit the curve, a hand appeared out of nowhere, through the window, and turned the wheel. John, paralysed with terror, watched as the hand came through the window but never touched or harmed him. Shortly thereafter, John saw the lights of a pub appear down the road, so, gathering strength, he jumped out of the car and ran to it...Wet and out of breath, he rushed inside and started telling everybody about the horrible experience he had just had. A silence enveloped the pub when everybody realised he was crying and wasn't drunk. Suddenly the door opened and two other people walked in from the dark and stormy night. They, like John, were also soaked and out of breath. Looking around and seeing John Bradford sobbing at the bar, one said to the other...  
"Look Paddy, there's that bloody idiot that got in the car while we were pushing it!"

### What Did You See ?

Scientific research says that if you saw an old lady you are in the elderly mental age group, but if you saw a young lady technically you are still mentally a youngster
