Confucius Did Not Say -

B.D.

Man who wants a pretty nurse, must be patient.
Man who jumps off cliff jumps to conclusion.
Man who runs in front of car gets tired, man who runs behind car gets exhausted.
War does not determine who is right, it determines who is left.
Man who drives like hell is bound to get there.

Time For Some Laughter

A father was reading his son's school report. "One thing is definitely in your favour" he announced. "With this report you cannot possibly have been cheating."
A couple were having dinner in a very posh restaurant, and the man asked the waiter to bring them a bottle of red wine. "What year?" asked the waiter.
"Right now, of course, we want to have it with our meal."

Male or Female

A lot of non-living objects are actually male or female, here are a few examples:

Freezer Bags: They are male because they hold everything in... but you can see right through them.
Tyres: are male because they go bald easily and are often over inflated
Hot Air Balloons: are also male objects. Because to get them to go anywhere, you have to light a fire under them.
Photo-Copiers: These are female because once turned off ... it takes a while to warm them up again. They are an effective reproduction service if the right buttons are used but can also wreak havoc if you press the wrong ones.
Sponges: These are female, because they are soft, and squeezable and retain water.
Egg Timers: Egg timers are female because over time... all the weight shifts to the bottom.

Why Go To Church?

One Sunday morning, a mother went in to wake her son and tell him it was time to get ready for church.
To which he replied "I'm not going."
"Why not?" she asked.
"I'll give you two reasons" he said. "One, they don't like me, and two I don't like them"
"I'll give you two good reasons why you SHOULD go to church. One, you're 59 years old, and two you're the vicar!"

Goat For Dinner

The young couple invited their elderly pastor for Sunday dinner. While they were in the kitchen preparing the meal, the minister asked their young son what they were having.
"Goat" the little boy replied.
"Goat?" queried the startled man of the cloth, "Are you sure of that?"
"Yes" said the youngster. "I heard Dad say to Mum, "Today is just as good as any to have the old goat for dinner."
