## November

No sun - no moon!  
No morn - no noon -  
No dawn - no dusk - no proper time of day.  
No warmth, no cheerfulness, no healthy ease,  
No comfortable feel in any member -  
No shade, no shine, no butterflies, no bees,  
No fruits, no flowers, no leaves, no birds! -  
November!

### Hospital Bill

A man suffered a serious heart attack while shopping in a store. The store manager called 911 when they saw him collapse to the floor. The paramedics rushed the man to the nearest hospital where he had emergency open heart bypass surgery. He awakened from the surgery to find himself in the care of nuns at the Catholic Hospital.

A nun was seated next to his bed holding a clipboard loaded with several forms, and a pen. She asked him how he was going to pay for his treatment.

“Do you have health insurance?” she asked.

He replied in a weak raspy voice “No health insurance”

The nun asked “Do you have money in the bank?”

He replied “No money in the bank”

“Do you have a relative who could help you with the payments?” the irritated nun.

He said “I only have a spinster sister, and she is a nun”

The nun became agitated and announced loudly “Nuns are not spinsters! Nuns are married to God.”

The patient replied, “Perfect. Send the bill to my brother-in-law.” *K.R.*

### Logic From An Uncluttered Mind

The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal its throat was very small. The little girl stated that Jonah was swallowed by a whale. Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible. The little girl said “When I get to heaven I will ask Jonah”. The teacher asked, “What is Jonah went to Hell?” The little girl replied “Then you ask him”.

A Kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child’s work. As she got to one little girl who was working diligently, she asked what the drawing was The girl replied “I’m drawing God”. The teacher paused and said “But no one knows what God looks like”. Without missing a beat or looking up from her drawing, the girl replied “they will in a minute”.

A Sunday school teacher was discussing the Ten Commandments with her five and six-year olds. After explaining the commandment to ‘honour’ thy Father and thy Mother, she asked “Is there a commandment that teaches us how to treat our brothers and sisters?” From the back, one little boy (the oldest of a family) answered “Thy shall not kill!”

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast to her brunette head. She looked at her mother inquisitively and asked “Why are some of your hairs white Mum?” Her mother replied “Well every time that you do something wrong and make me cry or unhappy, one of my hairs turns white”. The little girl thought about this revelation for a while and then said

“Mummy how come ALL of Grandma’s hair is white?”.

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture “Just think how nice it will be to look at it when you are all grown up and say ‘There’s Jennifer, she’s a lawyer’ or That’s Michael. he’s a doctor’

A small voice at the back of the room, rang out, “And there’s the teacher, she’s dead!”

A teacher was giving a lesson on the circulation of the blood. Trying to make matters clearer, she said “Now class, if I stood on my head, the blood as you know, would run into it and I would turn red in the face” “Yes” the class said. “Then why is it that when I am standing upright in the ordinary positions the blood doesn’t run into my feet?”. A little fellow shouted “‘Cause your feet ain’t empty!”

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note and posted on the apple tray ‘Take only ONE, God is watching.’ Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies. A child had written a note, ‘Take all you want. God is watching the apples.....’ *M&M*

### Hello

Hello, I’m a Covid-19 bug,  
I’m just waiting for a host,  
The disbelievers and the careless  
Are the idiots I love most.  
The ones who just ignore me,  
Then refuse to sanitise,  
Wiping their hands across their faces,  
So I can creep into their eyes.  
I also like rebellious people  
Who find face coverings a task,  
I especially relish creeping up  
On ones without some kind of mask!  
Oh, and I just adore a party,  
When the young folk misbehave  
There's nothing I enjoy more  
Than to be invited to a rave!  
So if you’re none too careful,  
And you give your old Gran a hug  
Mind you don’t also give her me,  
I’m an evil Covid-19 bug!
